Comment. The information confirms the departure of the 65th Mort Frig (US) to Altengrabow which, according to information 25X took place between 19 and 21 April.

The beginning of the movement to Altengrabow of the 18th How Arty Brig (US), according to the reference report, was on 21 April, and appeared to have been completed on 22 April, according to this report. At least three shipments of the brigade, including at least 38 x 122-mm field howitzers, were entrained. The headquarters and headquarters units of the IV Arty Corps in the Ziethen Kaserne as well as the 25th RL Erig in the Kraftfahrer Kaserne can be carried in their quarters prior to 26 April.
